My Dream Business And Life

Time to manifest your dream business and life!

Putting your goals on paper helps to clarify exactly what you envision for your future and to also put out your goals to the Universe!

How will you use School Of Spirit to create your dream business and life? What are the results you are hoping for? What are your financial goals? What is the timeframe you are aiming for? How do you want to feel, emotionally, physically, mentally, spiritually?

What Fuels My Passion

What fuels you? Why do you do what you do?

Understand your passion. Knowing why you do what you do helps you to stay connected to what you want in order to create the results you're working towards.

Think of all the reasons why you are building this business. Think of the impact you want to make on your clients, your family, your community, the world, etc.

Write as many reasons WHY you want these results and what are the reasons you are doing what you do. Make sure that with all the answers you write below that you truly feel emotionally connected to each reason:

Passion, Purpose & People:

Passion: What is your passion that drives your business? What do you provide for your clients and how do you make a difference in their lives?

Purpose: Changing the world, one client at a time. What kind of impact do you want to make? What inspires you and what do you hope to inspire in others?

People: Who is your perfect client? What do they do for a living? What is their demographic? What inspires them? What do they believe in? What problems of theirs do you solve?
