Learning From Others

This week I want you to go to Youtube and look up videos from other psychics and mediums. Watch them speak to their audience, watch them give readings, and learn from their behaviors. Observe their mannerisms, the words they use, their tone, and emotions.

- What do you like?
- What don't you like?
- What would you have changed?
- What do you like about your style, and what could you change to make it better?

Journal on this and feel free to share in the facebook group.

This week I also want you to create a mantra to say while doing readings. For example:

“I'm right where I'm meant to be”

“I trust that everything Spirit gives me is accurate”

Share your mantra in the Facebook group and help to support others in this journey along with you!
