Group Readings

This week your homework is to give a group reading. First start with a small group of people that intend to connect with the same Spirit. During that reading, test yourself to see if you can connect with other spirits from the individuals present.

When you feel comfortable, do an open mediumship reading with a small group of people all connecting to different Spirits. You can ask friends to recommend people you don't know to volunteer for this experience to help you practice your open mediumship.

Let us know in the Facebook group how it goes!

Your Rider

Your rider is what you need in your sessions to be in an optimal position to give the best readings. Don't feel bad to ask for what you need to be at your best.

For example, I need to be sitting in a comfortable wing-backed chair, I need my own blue folders, and I like a specific bic pen to write with. I also like to have ice water at my side, and of course, my deck of oracle cards.

Make your list for your rider so you know exactly what you need. Feel free to add to this over time!
