

## Ritual Practice – Spell Bottles

*Please find below a list of herbs for use in spells and their common magickal meanings but...*

*The most important thing to remember when creating any spell and working with herbal magick is to use your intuition.*

*What does your intuition tell you to use?*

*What does the herb mean to you?*

*What herbs are you drawn to?*

*Trust yourself.*

*You always know what is best for you.*

*Happy Spell making!*
