2025 Calendar

Affirmation for the month:

I have a positive and inspiring impact on the people I come into contact with.

Reminders for the month:

- No one else can show up in the world and serve in the same way you can.
- Use this month as a reset and reaffirm your manifestations.
- Take time away from social media this month .
- Revisit all promises from the past and ensure to commit to following through, or being honest with others why you can't and haven't.
- Take time for you this month.

World Energy This Month:

- There is change in the air this month. This will be a big year, a defining year for humanity.
- Many will begin to rise like the phoenix this month and speak from a place of anger and frustration calling for changes and demanding the governments do better.
- The world is watching and listening and something very shady is going on, play close attention to your local and world politics at this time.

Need To Know:

- This year will be the biggest shift and change that you will feel, see, and hear in your lifetime.
- This is a defining year that brings the negative forces that have been at work to the surface.
- You must be intentional and mindful when manifesting. The universe is listening to your energies.

Affirmation for the month:

I turn DOWN the volume of negativity in my life, while simultaneously turning UP the volume of positivity.

Reminders for the month:

- You don't have to sit in a feeling that's not serving you. You have the power to pull yourself out!
- Be clear about your feelings with others this month. Use your voice to communicate words of truth and love.
- Spend time in nature and find a favorite tree to call on for grounding.
- You know yourself best, sitting in sadness or frustration no longer serves you, and you need to take action to move forward.

World Energy This Month:

- The more we see the terms of the world play out in front of us, the more we're reminded that we are here because of ourselves and our beliefs leading up to today.
- The world is waking up to spiritual shifts and changes. More people are making shifts toward the direction of the light.
- 2025 is the year of the snake and the world is shedding its skin. You'll feel that shedding begin to take place this month, as you watch wide eyed and in disbelief at the new systems we are heading into.

Need To Know:

- Pay attention to your food ingredients. Food regulations have changed.
- Don't turn a blind eye to world events. Pay attention to all sources and hear BOTH sides. The truth is in the middle.
- Use music as a form of healing and find distractions outside of online sources.
